

# Hilltop Walking Field Trip Permission Form

Dear Families,

Occasionally we would like to take the children on short walking trips around our community. These trips may include visiting the tot-lot located behind Hilltop, a walk to the River Hill shopping center to visit community helpers, or going to observe the pond behind Columbia Gym. These trips will usually be posted in advance in classroom newsletters and/or lesson plans. Staff carry bags with important tools and materials whenever we leave the building. (ie: First aid kit, necessary medications, extra change of clothes, etc.) The group stays on sidewalks/walking paths for the entire duration of these trips. We do not take any trips that require crossing 108-Clarksville Pike without prior notification to families. If you wish your child to participate in these trips please read the statement below, complete the blanks, and return the form to Hilltop.

Thank you!

Sincerely, Jessica Keppley Director/Teacher
